Scheduled Events at Ely:

1st Sunday each month: Fiddle Jam

4th Saturday each month: Living History Day

The Lake County Historical Society was founded in 1955 and has grown to become one of the largest non-governmental organizations in Lake County.

Meetings are held several times a year at historic sites and feature local resident speakers sharing their knowledge of the history of our area, memories and tales from the past. These meetings are a wonderful opportunity to enjoy time among others with interests in our community and its history.

Membership offers discounts to our Summer Picnic and our Thanksgiving Feast.

Members are offered access and referrals to resources for historical investigation and opportunities to participate in projects to acknowledge, preserve, present, and recreate the history of Lake County and its people.
